# DORANI VIDEO INTERCOM

## 600 SERIES

### PJM Sales is one of Australia's leading suppliers of Video Intercom Systems.

The Dorani range offers a choice of Video Intercom Systems that are designed to suit your home security needs and provide you and your family with peace of mind.

The Dorani range is modern and stylish, incorporating a slimline design that blends seamlessly with your home decor.

Touch sense technology and hands-free operation are combined with user-friendly functions, providing a practical, safe and effective way of screening visitors to your home.
